Point:1

Option1: Attachment Downloader
Option2: Labor Code Report
Option3: Append FS Layers
Option4: Invoice Status Batch Editor
Answer: Labor Code Report

Question24: What does the tool shown in the image below signify or represent?

Point:1

Option1: Select
Option2: Layer
Option3: Measurement
Option4: Map Galary
Answer: Measurement

Question25: What does the tool shown in the image below signify or represent?

Point:1

Option1: Select
Option2: Bookmark
Option3: Measurement
Option4: Map Galary
Answer: Bookmark

Question26: What does the symbol shown in the image below signify or represent?

Point:1

Option1: Fiber
Option2: Conduit

Option3: Strand

Option4: Coax

Answer: Fiber

Question27: What does the symbol shown in the image below signify or represent?

Point:1

Option1: Fiber

Option2: Pole

Option3: High Density

Option4: Power

Answer: High Density

Question28: What does the symbol shown in the image below signify or represent?

Point:1

Option1: Splice Case

Option2: Splice Point

Option3: Straight Splice

Option4: Block Splice

Answer: [Straight Splice](#)

Question29: What does the tool shown in the image below signify or represent?

Point:1

Option1: [Select](#)

Option2: Bookmark

Option3: Measurement

Option4: Map Galary

Answer: [Select](#)

Question30: What is the attribute that needs to be updated in the Coax Category for Coax types?

Point:1

Option1: Conduit Size

Option2: [Cable Size](#)

Option3: RG 6

Option4: RG 11

Answer: [Cable Size](#)

Result:

Section1: 28

Total Score: 28/30

Percentage: 93%.

Remarks: N/A

Result: NOT CLEARED
